Re: USA v. Lenin Guzman-Hidalgo

18 Cr. 434 (JGK)

Your Honor,

My name is Ana Molina and I am the wife of Lenin Guzman, through this letter I want to beg you to intervene with your good and high services to give my husband a chance to leave prison in less time than established.

As you understand, we are living very difficult times because of the COVID-19 pandemic, my daughter and I are alone and with many needs, currently I have no job, no other source of income, other than that my daughter is going through a depression because she miss her father very much. I'm desperate because my only support was my husband.

I beg you Clemency for my husband to be granted his freedom, I ask him for his daughter who needs him too much, we are going through this situation alone. I know he made a mistake, but he's a good man, and I know he's very sorry for what happened.

I thank you for your attention and I trust you to help us. God bless you and your family.

Sincerely,  
  
Ana Molina
